Conclusion

We hope you have enjoyed our 52 lessons of the sixty-six books of the Bible, stories, and learning about the "Fruits of the Spirit." The lessons can be taught in any order depending upon when you begin, but the Christmas story weeks in December would then be Lessons 14-17, and the Easter Story lessons be Lessons 32-35. Some months may have 4 or 5 weeks for you to adjust lessons as needed.

We wanted to introduce Jesus early so the young children could meet our Savior and see how the Old Testament and New Testament books talk about God's redemption plan. Teaching about God's love to provide his Son, Jesus, and the Holy Spirit to reside inside of us, shows children the love story of the Bible.

Each lesson talks about Bible stories, gives verses to sing, recite, do art projects, acting scenes, teaching a lesson about the story, and gives creative ideas for children to learn and sing about the "Fruits of the Holy Spirit" (Galatians 5:22-23).

The lessons were prepared for ages 2-7, however all ages, including adults are welcome! The Annual Calendar will also show a song entitled "We are Created by God, where the children of any age can sing along, and learn a verse from each book, while learning over 66 beautiful characteristics that God showed throughout his Word.

Songs and Videos will be taped each week, and a special link will be sent to you direct from Grammy and Me! If you would like to receive free videos to go with these lessons, please go to www.grammyandme.com, and sign up for free weekly resources!

The New King James Version Bible and verses from Gateway Bible were referenced for Scripture Lessons were written by Nancy Holden with lyrics to songs, and stories that we read are from "The Beginners Bible" by ZonderKidz.
